

KHOPE International
Kids Hope Over Poverty

Summer/Fall 2017

RE: *The Reindeer Run* to benefit KHOPE International, Inc.

KHOPE International is a local non-profit organization focused on assisting women and children living in poverty here and around the world. Our 7th *Annual Reindeer Run* is scheduled for Saturday, December 2, 2017. This year's run will again be on our beautiful Thompson Trail with 3 mile and 6.5 mile routes from which participating runners and walkers can choose. All proceeds go directly to KHOPE International and used for ACHS Scholarships and financial support to the Cardinal Maurice Otunga Empowerment Center for Girls in Nairobi, Kenya. Registration is available through the City of American Canyon's Parks and Recreation Department.

Event sponsors are needed to assist in underwriting our costs associated with event t-shirts, goodie bags, and refreshments after the run. Attached is a sponsor sheet with various ways you can support this event. This is a unique opportunity to participate in an annual event which both builds and supports our community. While we know you have several avenues to use your advertising and donation dollars, we hope that you will see the value in supporting *The Reindeer Run* in 2017.

Please contact me at joenabrynski@comcast.net at your earliest convenience to further discuss how your organization can support this event.

Thank you for your consideration,

Joe Nabrynski, President
KHOPE International, Inc.
